- Nov. 20th** -PD day - No School

Birthdays

- Happy Birthdays to Riley, Memphis and Taylor**
- Nov. 19th** – Happy Birthday Riley!

Classroom News

Dear Families,
It looks like winter has arrived! Please make sure your child has appropriate clothes for the weather and that all clothing and items are labeled with your child's name. It makes it much easier when for missing items.
If you haven't already and are able to do so, can you please send an extra pair of clothes for emergencies such as wet pants, socks etc. it saves uncomfortable situations.
I hope you all had a great Halloween. Just a friendly reminder that candy is not permitted at school.
Congratulations to Memphis who was chosen as Student of the Month!
Finally, I do have a class webpage that can be found through our Elijah Smith Website. I will upload newsletters, photos and other resources to share with you. You can find it at <https://grade3ku.weebly.com>
My door is always open through appointment and you can reach me through phoning the school, email or text. However, I only check my phone at recess, lunch and afterschool.

'Love'

Love is the gift from the Eagle. Love is a force that is undeniable. With love all things are possible. It is everyone's right to have and experience it. In terms of the Medicine Wheel, love is the hub. It is symbolic of fire and the Creator. Man is incapable of understanding the Creator; so in turn, he gave us a way to experience love and enjoy love through our children..

Healthy Food Tips

A 355 mL can of pop contains 10 to 12 teaspoons of sugar. That's 150 to 180 empty calories. Better to cut your thirst with some water or milk.
